

10 STANDOUT REASONS LONGTIME USERS SHOULD JOIN US FOR ENGAGE²₆

- 1 Break old habits before they break you** – Learn whether your “tried-and-true” workflows are silently creating downstream issues, bottlenecks, or even risks.
- 2 Stop doing things the “hard way”** – Discover easier, faster, and more efficient ways to get things done.
- 3 See what you’ve been missing** – Catch up on features you don’t realize you’re not taking advantage of.
- 4 Level-up your expertise** – Reinforce what you already know while identifying blind spots and filling in gaps you didn’t know you had.
- 5 Have direct access to experts** – Get quick answers, troubleshoot nuanced issues, and gain clarity that’s hard to achieve without personal interaction.
- 6 Future-proof your skills** – Stay ahead of product changes, industry shifts, and upcoming features so you’re always operating with confidence.
- 7 Validate your workflows** – Ensure your processes align with the latest and greatest in OP.
- 8 Reconnect with the “why”** – Remember the full power of your tools and leave with renewed motivation to optimize your practice.
- 9 Compare notes with other seasoned users** – Learn from other users who’ve solved the same challenges you may be facing.
- 10 Reignite your creativity** – Get exposed to new topics, perspectives, and ideas to spark improvements you’d never uncover during your typical day-to-day.

“I’ve been using OP for many years, and I always learn something at Engage that I didn’t know — that is gold. It’s worth the time and effort that you put into coming to the conference.”

- Paula Kovacs, VP of Operations, True North Medical Group
